

FDA FICTION

VERSUS

FACT

WHAT'S THE FDA THINKING?

8/8/16

No longer will anyone under 18 be allowed to buy e-cigs

8/8/16

48 / 50 states already ban the sale of e-cigs to minors

8/8/16

We are going to require child resistant packaging for e-liquids

7/25/16

Child resistant packaging is already the law in the U.S. for e-liquids

55

9/15/16

of warning letters FDA issued to retailers for sales to minors since Aug. 8

8,274

9/15/16

of inspections with NO sales to minors since Aug. 8

7

9/15/16

of stores that got warning letters which belong to "national chains"

40,000

9/15/16

of retail stores operated by those same "national chains"
