

VAPOR TECHNOLOGY ASSOCIATION

Calling all Consumers of Vapor Products

GET INVOLVED AND SAVE THE VAPOR INDUSTRY!

Calling all consumers of vapor products across the country!

The Vapor Technology Association (VTA) is hard at work in the nation's capital promoting responsible public policies like the Cole-Bishop Amendment that will save the entire vapor industry and will preserve your ability to access and continue to use quality vapor products.

We have made a lot of progress, but now we need YOUR help!

If we are going to be successful, we must show our elected leaders in Washington exactly who you are. You are the consumers who rely on vapor products, and you need to make your voices heard!

#WEAREVAPOR

FOLLOW THESE 3 EASY STEPS TO MAKE YOUR VOICE HEARD
